REF: Annual Fall Train Meet

For Immediate Release:

The Clinton Central Model Railroad Club announces their annual Fall Train Meet will be held on Saturday, October 10, 2020 at the Clinton County Fairgrounds, off Lock Haven Exit 178 of Interstate 80 on Fairground Road, from 10:00 AM to 4:00 PM EST.

This train show is one of the club's major fund raising events. Income raised by this event will provide future layout expansion, train station maintenance and other projects underway at the club's home located in the former New York Central Railroad Station in Castanea.

Activities slated for this show include quality dealers providing new and used model railroad trains and equipment, repair parts and model cars, trucks, old toys, and buildings. Complimentary door prizes will be called hourly. Club items such as hats, patches, and decals will be available. Information on future club activities and membership applications will be available. Donations of model railroading items will be accepted.

Good food will be provided by well known Scott's Roasting. A variety of new, used, old, and antique model railroad items will be available to the general public.

There will be an admission fee of \$4.00 for an adult and \$5.00 for a family charged at the gate. Group rates are available. Additional information can be obtained from any club member or on our web site www.ccmrr.org or telephone Jim Hill at 570-726-6826.

COVID-19 Precautions will be observed

Hand Sanitizer is available, masks are recommended & available upon request, Social Distancing as per the PA State Directive recommended, and Open Air Pavillion.
